Advice:	Dear project partner of the European Iron Academy! Please use this standardized matrix/tabella/table to collect all your gathered information on educational facilities in the EU-countries. It is seen as part of Intellectual Output 1 of the Erasmus+ Project, Phase 1 „Inventory report of content and level of the education (in a matrix formed)“ see Application Form (2015).															
Project Data:	Erasmus+ Project Number: 2015-1-NL01-KA202-008965 Project Title: European Iron Academy
