

Ybbsitz, 22. April 2020

INVITATION

Dear Blacksmiths!

Dear metal designers!

Due to the coronavirus crisis, many drastic measures were taken for security reasons and the international forge meeting Ferraculum in Ybbsitz was canceled.

The economic and cultural life, but also the exchange of knowledge between the blacksmiths and metal designers is badly affected.

However, we adapt to the new and temporary situation and therefore cordially invite you to participate in the project **FERRACULUM**connected by video recorded and partially live, in order to ensure the exchange of information between the blacksmiths and metal designers, despite the coronavirus crisis.

Specifically, we invite you to forge a piece which covers the given theme of „floral“ and submit your work (per post mail) to Ybbsitz (Please see participation criteria).

The artworks will be exhibited in the Museum FeRRUM, awarded and shared in the world of blacksmiths by means of a video message.

We kindly look forward to your registration via e-mail no later than May 5th.

Josef Hofmarcher
President
Association Schmiedezentrum Ybbsitz

Gerhard Lueger
Bürgermeister
Municipality of Ybbsitz
