

European Iron Academy 2016 – Part 1

Guidelines Erasmus+

Record of current rules, regulations and institutions for training and advanced education for blacksmiths and metalwork designers

Country: Denmark

This questionnaire is for recording the current rules, regulations and possibilities for training and advanced education for blacksmiths and metalwork de-signers in the countries of the European Community.

1. Which Ministry is responsible for Careers and Employment in your country?

Address / persons responsible

*The ministry of education: Undervisningsministeriet,
Ministry for Children, Education and Gender Equality
Frederiksholms Kanal 21
DK-1220 Copenhagen K
Phone +45 3392 5000
Fax +45 3392 5567
www.uvm.dk*

2. Which trade/professional association is responsible in your country for blacksmiths and metalwork designers?

*Dansk Metal, Molestien 7, 2450 København SV, Telefon 33 63 20 00,
metal@danskmetal.dk
www.danskmetal.dk*

- 3.a) Who is legally responsible for the training of blacksmiths and metalwork designers in your country?

- 3.b) What aid/help (governmental or private) is offered in your country and to what conditions?

Questions 3-7: There is no official education of blacksmiths or creative metal design in Denmark, No governmental schools, and no private schools. There are a few people offering weekend courses in basic blacksmithing, but not to any professional standart. Anyone wanting such education in Denmark must attend schools or other education outside Denmark. Some courses occationally are financed by the danish education system, but not as a rule.

8. There are no national networks for professional blacksmiths/metaldesigners, only a few facebookforums for hobby blacksmiths.

9. none of importance.

10. Well as you can see from the above basically everything.
